

## **JOB POSTING [11/30/2012]**

### **Care Manager – San Diego, CA**

**Job Summary:** LivHOME, a premier, professionally led “at-home assisted-living” company, is dedicated to finding solutions that enable older adults to remain in their own homes as long as possible. The Care Manager coordinates, implements and manages service delivery to provide quality care to clients and their families. Duties include:

- Develops, implements and revises client care plans and budgets.
- Coordinates care with Staffing Coordinators, staffing support, Caregivers, and other care providers.
- Contributes to extending client expected length of stay (ELOS) through the delivery of exceptional care management services.
- Interviews, selects and provides ongoing supervision of in-home Caregivers to ensure individual client needs are met; initiates corrective actions where needed.
- Maintains individual productivity/gross profit targets based on company guidelines.
- Anticipates client/caregiver issues in order to proactively address and maintain quality care within client home.
- Documents and updates activity in multiple systems to ensure compliance with company protocols.
- Other duties as assigned.

#### **Minimum Experience / Credentials / Education:**

- Required: Bachelor’s Degree in nursing, gerontology, psychology, health and human services. LVN / RN highly desired
- Minimum of 2 years experience in geriatrics and/or care management.
- Ability to interface effectively and professionally with client support network, including family, physicians, attorneys, etc.
- PC literate.
- Frequent local travel by personal automobile to client homes required.

We offer a competitive compensation package with bonus potential, benefits and training.
